EDITORIAL

You may have heard already that I shall be retiring as Editor of The Link after next January's edition.

Having held the post since the autumn of 1997 when Revd. Stephen Adams moved on (nearly 30 years ago) I have recently felt that the time has come for me to step down (to spend more time with my family, as politicians are wont to say). There will be more about that nearer the time, but suffice it to say at the present that I have thoroughly enjoyed doing this job and I shall miss it greatly, but I think it is only right and sensible, that I should step down with decent notice rather than suddenly disappearing!

A question for you. I don't expect any answers but perhaps it is something we should consider.

The Church of England has announced plans to give away £100,000,000 in slavery reparations, with the money coming from a fund held by the Church Commissioners and previously known as "Queen Anne's Bounty". This was founded in 1704 and was designed to supplement the meagre income of poor clergy. Over the years it grew substantially, partly due to investments in the South Sea Company's slavery trade, and it was later amalgamated into the Church Commissioners Endowment Fund. The current proposals are that it should now be paid out as "reparations" for the involvement in the slave trade.

However I am not at all clear to whom it will be paid, nor how any such payment will benefit anyone who has actually suffered from slavery. At a time when the church is struggling to pay our clergy a decent stipend and parishes are finding it difficult to meet their parish shares, do you feel that this money might be better used for its original purpose?

Our garden birds continue to thrive, and there is continual activity outside the kitchen window from dawn to dusk with birds flying between the kitchen garden hedge and the feeders.

There are however two major snags, both concerning the mortality rate!

The first is that the sparrow hawk too has discovered this source of free food and we frequently see him (her?) flying off bearing a goldfinch or a sparrow.

The second is the fact that a significant number of the small birds do not recognise either a window, or their own reflection in it, and not infrequently fly into it at high speed, which doesn't do a lot for their cerebral function!

As you probably already know, the cost of producing The Link has been borne entirely by the income produced by our very generous advertisers, and we are very grateful to them for their support. They all appreciate the fact that they know that a copy of the Link is delivered each month without fail to every house in the Benefice - some 901 copies each month since Everdon joined us.

However, with the advent of Everdon the cost of printing has now become more than the advertising revenue produces. So if you know of anyone who might be persuaded to take an advertising space (and our current advertisers tell us that doing so produces good results) please let Penny Cory know at knightleybenefice@gmail.com

Forty years or so ago we happened to be on holiday in northern France with our young children when one day we suddenly thought "Let's go and see the Bayeux Tapestry." So we rocked up at the museum, wandered in, strolled round at our leisure, took photographs, and wandered out again. No crowds, no queuing, no hassle!

PASTORAL LETTER

St Francis of Assisi

Earlier this year, for the first time in 800 years, the mortal remains of St Francis were publicly displayed for veneration at the Basilica of St Francis in Assisi, Italy. Nearly half a million pilgrims registered to visit for this rare event. I didn't go. In truth, I'm not particularly drawn to that kind of devotion, though I have a great affection for St Francis and for Assisi, and I look forward to celebrating his feast on 4th October.

St Francis has often been cited as a saint for our own day because of his special sense of kinship with the environment: he called the animals and the natural world his brothers and sisters (you might like to look up his *Canticle of the Creatures*). He also famously gave up a rich-man's lifestyle and deliberately embraced social outcasts, which contrasts with the rampant consumerism that affects us all.

A less well known, but equally important aspect of Francis' ministry was his willingness to cross the divides that separate people from each other. During the Fifth Crusade he crossed enemy lines to meet with

the Muslim Sultan Malik al-Kamil in a gesture of peace and respect.

Perhaps this is why the wonderful prayer-poem *Make me a channel of your peace* has often been ascribed to him. Although this is a false attribution – the poem originated in France in the early 20th century – it is a beautiful and timely text for us to take to heart. This October, and always, may we be messengers and ministers of love, healing, hope, light, joy, pardon and consolation.

With every blessing,

*The Rt Revd Alex Hughes
Bishop of Brixworth*

BENEFICE PAGE

EVENING SERVICE OF THE WORD

This short lay-led service is held once a month on the Tuesday evening following the third Sunday at St Mary's Badby from 6.30pm to 7pm. The next gatherings will be on 20 October and 17 November.

BADBY AND DISTRICT FILM SOCIETY

Saturday 17th Oct: Donizetti's La Fille du Régiment (2007)

The next in our Supper at the Opera series. First performed in 1840, it's a fun French opéra-comique about a tomboy unable to transform into a snooty duchess, but who finds true love anyway. It's famous for the tenor showpiece "Ah! mes amis quel jour de fête ...", which has been called the 'Mount Everest' for tenors because it requires eight consecutive high Cs. [132 mins, French with English subtitles, Exempt certificate]

Friday 30th Oct: Hamnet (2026)

Historical tragedy directed by Chloé Zhao, who co-wrote the screenplay with Maggie O'Farrell, based on her 2020 novel of the same. It dramatises the family life of William Shakespeare and his wife Agnes Hathaway as they cope with the death of their 11-year-old son Hamnet. It stars Jessie Buckley and Paul Mescal, supported by Emily Watson. [120 mins, 12 certificate]

BADBY & DISTRICT HORTICULTURAL SOCIETY

The Badby Horticultural Society would like to thank everyone for their magnificent contributions to the Horticultural Show this year which, despite the tent blowing down, was a great success.

Thanks to Zac for lending his room at the Maltsters.

Save the dates ..

CHURCH BUILDING MAINTENANCE

Two new members were welcomed at the recent meeting of the Maintenance and Assets Working Group. This month's schedule will include the routine inspection of the roofs from the tower and rainwater gully clearing. Soon will come the high level brushing down of internal walls then the day after, when the dust has settled, filling 'Henry' and friends then a final dusting! Anyone who would like to occasionally help with such asks or garden tidying, removing ivy, or joining the monthly cleaning team rota will always be welcome. Please contact a churchwarden in the first instance.

T 4 U

Good village company on Friday 2 October from 2.30 - 4.30pm in the village hall.

Tea, coffee and home-made cakes. Donations given to St Mary's Church Restoration Fund Do come and enjoy.

BADBY & FARTHINGSTONE CRICKET CLUB

Another month of enjoyable cricket as the season sadly comes to an end with the club's final match on Sunday 20 September.

A good win at Crick was followed by the now traditional defeat at Pattishall and a narrow final over loss to the Open University, avenging their defeat against us in August.

It is with some sadness to repeat that this is Peter Collins' final season at the club. Throughout his time in Badby Peter has played, captained and prepared more pitches than he has probably had hot dinners, in addition to many off the field activities, too many to mention here - a colossal effort. Peter, we don't know what we are going to do without you. Thank you so much for all your efforts and enjoy your retirement – you've more than earned it.

BADBY & FAWSLEY WI

On Thursday 8 October, local resident Pat Butler will be telling us all about The Back to Back Homes of Birmingham – a slice of history from the 1840s to the 1970s. To arrange a free taster visit or for further information about this thriving and friendly WI, please contact Jan Cooper on jancooper2012@me.com or Jackie Peel on jackiepeel22@gmail.com.

COFFEE MORNING

The next coffee morning will be in St. Mary's on Tuesday 20 October from 10.30am to 12 noon. All are welcome.

MONTHLY CHURCH DRAW

The winners in the August church draw were: 1st: Carole Pullin, 2nd: Elizabeth Hall, 3rd: William Brodie.

In addition, the annual bonus prizes were drawn and the winners were: 1st: Mark Robinson, 2nd: Elizabeth Hall, 3rd: June and Andrew Witcomb.

The village hall committee are very grateful for the generous donation from a village resident that has funded much of the work, and the support of the Parish Council. THE TIMES THEY ARE A CHANGING AND YOUR HELP IS NEEDED

It is a fact of life that people come and people go, whilst others, after years of tireless work, decide that the time has come to hand over to younger, fresher volunteers. But who and where are these people? Although we are fortunate to have a small group which keeps the church and chapel going, that group is shrinking rapidly and the trajectory is towards unsustainability. Put simply, if we can't replace those who are moving on or standing down, the activities that people take for granted as part of village life — the harvest supper, Christmas Bingo, wreath-making and the summer band concert — will cease. Not only that, but the work that keeps the chapel clean and open 365 days a year, and the looking after of the church and churchyard, will gradually stop. Could YOU spare a little time to help support two historic assets that are part of our village story? You don't need to be a churchgoer,

simply a community-minded villager who wishes to preserve an 800+ year church and a rather younger chapel as continuing elements in the village's history. If you can help in any way, please contact pennycory@yahoo.co.uk

HARVEST WEEKEND 3RD – 5TH OCTOBER

Saturday 3rd between 2pm and 4pm the church will be open so people can enjoy the floral displays and refreshments. (If you would like to help decorate the church or donate produce, please contact Graham on 01327 264393.)

Sunday 4th at 6pm the Harvest Festival Service, where all the good old harvest hymns will be dusted off and sung.

Monday 5th 6.45 for 7pm the Harvest Supper will be in the village hall. There will be the usual three course meal, with a licensed bar and sale of produce. Tickets are £12 for adults, £6 for under-16s, from Norman Blenkhorn 01327 260650, normanblenkhorn@gmail.com. (Please don't leave buying your tickets to the last moment!) If you could provide a salad or make an apple crumble, please let Norman know.

CHURCH ACTIVITIES

In October, we have three Sunday services taking place. These are on the second, third and fourth Sundays of the month.

On Sunday 11th October at 09:30 am, it's our Sunday Worship service taken by Sue Rose. This is our Harvest Festival. It's a very informal, friendly service with popular harvest hymns and a talented organist. Everyone is welcome with coffee and breakfast served afterwards.

On Sunday 18th October at 09:30 am, we have a Holy Communion service. It is the monthly benefice service which is being held in Everdon this month. We are fortunate to have with us conducting this service, Bishop Ed Condry. Having served at the highest levels in the Anglican Church, Bishop Ed's services are very special.

On Sunday 25th October at 09:30 am, we have a Holy Communion service taken by Rev. Greg Shaw who frequently carries out services at

Everdon Church. Rev. Greg is based in Badby. A Harvest Festival Supper is also being arranged for 12th October. Arrangements to be published shortly.

Going into November, Bishop Ed is returning to Everdon to conduct the village' Remembrance Day service. It will be an important occasion. Our Remembrance Service is always well attended with many ex-servicemen and their families living in the village. As always, the collection will be going to the Royal British Legion.

We are also arranging a Christmas Eve Service (readings and carols) that will be taken by Sue Rose. The time of this will be confirmed, but will be around 6:00 pm. All collection monies are donated to the Children's Charity.

On Christmas Day there will be a Christmas Holy Communion Service at 09:30 am, which will be taken by Rev'd Lulu Pelly.

A children's play area is being planned inside the Church – more information to follow shortly.

CHRONIC PAIN COMMUNITY HUB

My name's Carole Justice Gray. I wanted to reach out as I'm setting up the Chronic Pain Community Hub — a new community interest company. We plan for the hub to be based at Woodford Halse Memorial Hall, to support people living with chronic pain in Woodford Halse, Byfield and the surrounding villages (including Badby, Chipping Warden, Blakesley, Charwelton, Aston le Walls, Everdon, Litchborough, Farthingstone, Eydon, Newnham, Preston Capes, all within the local area of Woodford Halse, Northamptonshire).

We're currently running a short community needs survey to help us understand how much chronic pain affects people locally, what kind of support would actually help, and to support funding applications as we get the Hub ready to launch. It's anonymous, takes a few minutes, and covers paper and online versions — I've attached both the survey poster and the link below.

I wondered whether you'd be happy to share the poster and link in your parish newsletter, or display the poster somewhere like the village hall or noticeboard, maybe on your website if that was appropriate — wherever works best for you.

Chronic pain is often invisible, and in a rural area like ours people are used to travelling for support rather than expecting it on the doorstep — so hearing directly from as many villages as possible really does make a difference to how well we can make the case for local support, including in funding applications.

Thank you so much for considering this — and please do get in touch if you have any questions at all.

With thanks, best wishes,
Carole Justice Gray

NEWNHAM PARISH COUNCIL

CHAIRMAN – Gary Hammersley

07887 634936 chair@newnhamparishcouncil.gov.uk

CLERK – Kevin Carr

clerk@newnhamparishcouncil.gov.uk

Our last meeting was 7th September. Owing to the August recess, there were various items of correspondence and work requests to work through.

We have been successful in securing a grant towards an additional speed indicator device. This one will be situated at the bottom of School Hill and will display, capture and record vehicle speeds coming into the village on the Badby Road. If speeds exceed the 30mph limit on that road we will share the data with the Police and the Highways Department, together with the data from the other devices around the village.

As Autumn approaches there are several things we will be doing to prepare the village for the change in seasons. Last year we cleared the Church Path of leaves to make the path safer to walk on. We will do that again this year but in addition we are looking into surfacing the path at the bottom of the slope where it gets very muddy in wet weather.

WNC have cleared the culverts going under Badby Road, by Brookside and Westbrook Close. This is designed to reduce the likelihood of the brooks backing up if we get exceptionally heavy rains and flooding over the road as they did two years ago.

As the leaves begin to fall around the Greens, we will arrange for the gulleys to be cleared to try and keep the drain covers clear. A heavy fall of leaves can effectively seal off the drains, causing water to run downhill towards the low points in the village. We would also request that residents periodically check drain covers near their homes and try and keep them clear of leaves if they are able to do so.

Miscellaneous items

Potholes, report them on www.fixmystreet.com. The more frequently an issue is reported, the greater the likelihood that the WNC Highways team will resolve it.

The '**Friends of Newnham**' WhatsApp Group. If you are interested in supporting events in the village, such as litter picks or putting up a marquee, contact Judith Dorkins on judithdorkins@btinternet.com.

The **next Parish Council Meeting is Monday 5th October**, starting at **7.00pm** in the **Village Hall**. For agendas and minutes go to www.newnhamparishcouncil.gov.uk
